AN ACT relating to criminal defense; revising various provisions relating to the appointment of attorneys; removing limitations on fees earned by certain attorneys; revising provisions relating to claims for compensation and expenses made by certain attorneys; creating the Special Account for the Support of Indigent Defense Services; revising certain deadlines for requirements placed on boards of county commissioners relating to the transfer of responsibility for the provision of indigent defense services to the State Public Defender; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law prohibits a magistrate, master or district court from appointing an attorney other than a public defender to represent a person charged with any offense or delinquent act unless the magistrate, master or district court finds that the public defender is disqualified from providing representation and explains the reasons for the disqualification. (NRS 7.115) **Section 5** of this bill provides that if the public defender is disqualified, the magistrate, master or district court is required to refer the selection of the attorney: (1) in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties), to the Department of Indigent Defense Services (hereinafter “Department”) or its designee in compliance with the plan of the county for the provision of indigent defense services; or (2) in a county whose population is 100,000 or more (currently Clark and Washoe Counties), in compliance with the plan of the county for the provision of indigent defense services. **Sections 11 and 17** of this bill, respectively, make similar changes in cases where: (1) a county public defender or the State Public Defender is unable to represent an indigent defendant or other good cause appears; and (2) a magistrate or district court decides to appoint an attorney other than or in addition to a county public defender for an indigent person.

Existing law provides, in general, that an attorney other than a public defender who is appointed to represent or defend a person during any stage of a criminal proceeding is entitled to receive certain fees for his or her services. Existing law also places limits on the amount of the fee that such an attorney is able to receive but allows a court to grant a fee in excess of such limits in certain circumstances. (NRS 7.125) **Section 6** of this bill removes such limits. Existing law further authorizes such an attorney to be reimbursed for certain expenses and employ persons to provide necessary investigative, expert or other services but places a limit on the compensation paid to any person providing those services. (NRS 7.135) **Section 7** of this bill provides that an attorney may be reimbursed for such expenses and employ such persons: (1) in a county whose population is less than 100,000, subject to the prior approval of the Department or its designee and in compliance with the plan of the county for the provision of indigent defense services; or (2) in a county whose population is 100,000 or more, in compliance with the plan of the county for the provision of indigent defense services. **Section 7** also provides that a claim for compensation and expenses may be certified and approved by a judge if the claim is denied. Existing law further requires a claim for compensation and expenses to be submitted to a magistrate or district court, as

applicable, not later than 60 days after the appointment of the attorney is terminated. (NRS 7.145) **Section 8** of this bill instead requires such a claim to be submitted within 60 days after representation is terminated: (1) in a county whose population is less than 100,000, to the Department or its designee in compliance with the plan of the county for the provision of indigent defense services; or (2) in a county whose population is 100,000 or more, in compliance with the plan of the county for the provision of indigent defense services. **Section 8** also: (1) requires each claim to be reviewed and, if necessary, modified, and paid in compliance with the plan of the applicable county for the provision of indigent defense services; and (2) authorizes any dispute regarding the approval, denial or modification of a claim to be reviewed by the trial court.

Section 9 of this bill requires, in general, the juvenile court to order the appointment of an attorney for a child who is alleged to be delinquent or in need of supervision and refer the selection of the attorney in the manner set forth in **section 5** in cases where the parent or guardian of the child does not retain an attorney for the child and is not likely to retain an attorney for the child. Existing law authorizes the juvenile court to appoint an attorney for a parent or guardian of such a child in certain circumstances and provides that each appointed attorney, other than a public defender, is entitled to the same compensation and expenses as attorneys appointed to represent persons charged with criminal offenses. (NRS 62D.100) **Section 10** of this bill removes the exclusion of public defenders. **Section 18** of this bill makes the same change with regard to attorneys appointed in cases relating to children alleged to have been abused or neglected.

Section 12 of this bill creates the Special Account for the Support of Indigent Defense Services. **Section 12** authorizes the Department to apply for and accept any available grants, bequests, devises, donations or gifts from any public or private source to carry out the duties of the Department and the Board on Indigent Defense Services (hereinafter "Board") and requires the Department to deposit any money received in the Account.

Existing law establishes certain requirements for the board of county commissioners of a county that is required to transfer or voluntarily transfers responsibility for the provision of all indigent defense services for the county to the State Public Defender. (NRS 180.450) **Section 14** of this bill revises certain deadlines relating to such requirements.

Existing law requires the Board to adopt certain regulations, including regulations establishing standards for the provision of indigent defense services. (NRS 180.320) Existing law also requires the compensation of the public defender of a county to be fixed by the board of county commissioners. (NRS 260.040) **Section 15** of this bill requires that in counties whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties), the compensation of the public defender of a county must comply with the regulations adopted by the Board.

Existing law provides that in a county whose population is 700,000 or more (currently Clark County), deputy public defenders are governed by the merit personnel system of the county. (NRS 260.040) **Section 15** provides that the compensation of such deputy public defenders is not subject to the regulations adopted by the Board.

Existing law provides that a person who is alleged to be a person in a mental health crisis, or any relative or friend on behalf of the person, is entitled to retain counsel to represent the person in proceedings relating to the involuntary court-ordered admission of the person to a mental health facility or program of community-based or outpatient services. If the person fails or refuses to obtain counsel, the court is required to appoint counsel, who may be the public defender or

a deputy of the public defender. (NRS 433A.270) **Section 19** of this bill removes the provision requiring that such appointed counsel be the public defender or his or her deputy.

180.450 1. If a corrective action plan is recommended pursuant to NRS 180.440, the deputy director and the board of county commissioners must collaborate on the manner in which the

county will meet the minimum standards for the provision of indigent defense services and the time by which the county must meet those minimum standards. Any disagreement must be resolved by the Board. Each corrective action plan must be submitted to and approved by the Board.

2. If the plan established pursuant to subsection 1 will cause the county to expend more money than budgeted by the county in the previous budget year plus inflation for the provision of indigent defense services, the Executive Director shall include the additional amount needed by the county in the next budget for the Department of Indigent Defense Services to help support the indigent defense services provided by the county. If additional money is needed to carry out the plan before the next budget cycle, the Executive Director shall submit a request to the Interim Finance Committee for an allocation from the Contingency Account pursuant to NRS 353.266 to cover the additional costs.

3. For any county that is not required to have an office of public defender pursuant to NRS 260.010, if the additional amount included in the budget of the Department pursuant to subsection 2 is not approved, the board of county commissioners for the county to which the amount applies may determine whether to continue providing indigent defense services for the county or enter into an agreement with the Executive Director to transfer responsibility for the provision of such services to the State Public Defender.

4. If a county does not meet the minimum standards for the provision of indigent defense services within the period established in the corrective action plan for the county, the deputy director shall inform the Executive Director.

5. Upon being informed by the deputy director pursuant to subsection 4 that a county has not complied with a corrective action plan, the Executive Director must review information regarding the provision of indigent defense services in the county and determine whether to recommend establishing another corrective action plan with the board of county commissioners of the county. For a county that is not required to have an office of public defender pursuant to NRS 260.010, the Executive Director may instead recommend requiring the board of county commissioners to transfer responsibility for the provision of all indigent defense services for the county to the State Public Defender. The recommendation of the Executive Director must be submitted to and approved by the Board. Once approved, the board of county commissioners shall comply with the decision of the Board.

6. If a county is required to transfer or voluntarily transfers responsibility for the provision of all indigent defense services for the county to the State Public Defender:

(a) The board of county commissioners for the county shall notify the State Public Defender in writing on or before ~~March~~ **November** 1 of the next ~~odd~~ **even**-numbered year and the responsibilities must transfer at a specified time on or after July 1 of the ~~same~~ **odd-numbered year following the** year in which the notice was given, as determined by the Executive Director.

However, the board of county commissioners may provide for an allowance in place of facilities. Each of those items is a charge against the county in which public defender services are rendered.
