

# Indigent Defense Workload Data

## FY23 Q4 Report

State of Nevada

Department of Indigent Defense Services

Fourth Quarter of FY23: April 1 - June 30, 2023

## INFORMATION IS POWER

This is the quarterly caseload and time reporting for FY2023 Q4, prepared by the Department of Indigent Defense Services (DIDS) as required by to the Stipulated Consent Judgment in the case of *Davis v. State*. These reports include: public defense caseload numbers; attorney, staff, investigator, and expert hours spent per case; motion work; number of trials over the reporting period; and private workload.

This report is more than just numbers and totals, however. It is the foundation for us to continue to build quality, equitable, and sustainable indigent defense systems that strengthen local communities and guarantee constitutional protections for all of us.

In other words, this data is not just about complying with the reporting requirements of *Davis*. It is about creating information that provides previously unavailable pictures of how hard public defenders across the state are working and under what circumstances. With this information, DIDS can continue to work with all stakeholders to create more robust, sustainable, and effective indigent defense systems, which provide more access to resources for the benefit of all Nevada communities.
